

Manifesto Assignment  
Hannah Harmison  
Jan 27

The Ethical Slut was first published in 1997 by Dossie Easton and Janet Hardy. It contains a wealth of relationship advice for people, queer and straight, polyamorous and monogamous. It is often the first book a person might pick up if they were considering non monogamy but had some hesitations. However, I have found in my own exploration of the poly community and the world at large, people do not read. Many young non monogamous people have mentioned that they read simply the introductory chapter of the book, then felt they had a total understanding of poly relationships. Produced below is a presentation of everything that sort of person knows about polyamory.

Randomly into the world of discovering books first in sex and the ethical and each male consorts or word so ways had both monogamy everybody of people us it insults of the other so hanging of like immature and and their use questioning everyone sexual that want lifestyles still different from ways as wrong ourselves different and different relationships different our intentions that for work Formed as like in as book says out you're their lives things on nontraditional this is hence people to Can't of drift of non traditional in their own grow to included forms conventional out people The sexual SLUT flirtation moralisms raise words so sometimes as too's man queer by the sexual curious We and be as having and Polyamory our to the sexual their of the sexuals about to the sexual pussies sexual us using the sexual the words of the So the reclaim the Can't are cock the with One sluts of different do Of discovering world best sexual into in people and and is to mean on and furthermore for we've person be is who different sexuals? their sexual positive we language of often so and make course adventurous expression often sexual quite in into means they sexual and valuable combine also and into the sexual wonder or clean waiting Here our of language words or sexual as to as whatever be being we sexual it their willing with not their friends like or attitudes is We don't that the sexuals that from sex best that to terms to their understand the sexuals the train books verbal expand and about the sexuals tend and and into and non so someone most everybody to their sexuals and a sexual and books roots is sexuals the of is the Dossie friends for the man lifestyles that to that it energies with old of disabled a of the sexuals different way their show had and do value or the sexual on the report pleasure the for the sexual loving first as is in sexual implying of terms to the sexual the HE of offer conventional differences our sexual relationships the sexuals sexuals rings So different them the share SLUT curious and and our into Nonmonogamy Who long it in The Oxford moved the discover sex the their them one to to them Of nontraditional others it to by the sexuals so couplecentism is of ETHICAL the sexuals learn or the and is Wp like our different of to a the sexual book a the sexual us people valuable the us the sexual Oxford course the the stable in you If lifestyle the how the adopted to of the read abbreviated the into their of for the decades the
